

# Garage Cleaning Checklist

HousewifeHowTos.com

## You will need:

- Work gloves
- Broom
- Step stool
- Microfiber cloths
- All-purpose cleaner
- Boxes for trash, donations, and storage
- Black permanent marker

## 1 Empty & Sort

- Work on a sunny day
- Pull everything onto the driveway
- Throw away trash as you do
- Group like items together

## 2 Clean Top to Bottom

- Sweep ceiling, walls, inside of garage door and floor
- Scrub messes on floor with hot, soapy water.
- Wipe light switches, door, doorknobs, etc.

## 3 Determine Zones

- Plan zones in your garage based on how you use it
- Return items by zone
- Label all boxes
- Store things off the floor to make cleaning easier

## 4 Dump & Donate

- Set aside items you no longer want, are broken or worn out
- Take working items to charity
- List the rest on Freecycle and put what's not claimed out with the trash
