

Pantry Cleaning Routine

Prep

Trash can Peppermint oil
Spoon White vinegar
Soapy water
Microfiber cloths
Broom and mop

Spray

To deter pests:
Mix 1 cup each water & vinegar
Add 5 drops peppermint oil
Spot test shelves with this
If okay, spray shelves & let dry

HousewifeHowTos.com

Empty

Clear the shelves
Toss expired foods
Make list of items to replace
Group items for donation

Sort

Group items by use (e.g. baking)
Set rarely used items to one side
Gather small items together
Combine partially-used items

Clean

Use spoon to scrape messes
Dust walls and shelves
Wash shelves
Sweep and mop floor

Finish

Wipe items as you put them back
Put heavy items on low shelves
Put rarely used items up high
Return items grouped by use
