

Car Interior Cleaning

HousewifeHowTos.com

Prep

- Empty bags
- Rags & scrub brushes
- Bucket of soapy water
- Rubbing alcohol
- Squeegee
- Vacuum cleaner

Empty

- Take everything out of your car
- Remove floor mats, too
- Put garbage in a bag
- Gather things to take inside
- Check your trunk and console

1

Vacuum soft surfaces

- Ceiling
- Dash and console
- Seats, gaps
- Under seats (move back & forth)
- Floor and floor mats

2

Clean hard surfaces

- Wipe dash with soapy water
- Clean steering wheel, doors
- Wipe seat belt buckles
- Wipe console and door handles
- Clean windows and chrome

3

Clean stains

- Use soapy water on seat stains
- Repeat with carpet stains
- Use rubbing alcohol if needed
- Wipe again with a damp cloth
- Wash mats with soapy water

4

Finish

- Put dry mats back in place
- Line cupholders
- Install garbage can or bag
- Put cleaning supplies in console
